The Spur of Chance !

It is stating an obvious fact to say that all Australians love to gamble. From early boyhood when we played marbles "for keeps" to the later days of the youthful "Half a Dollar" bet—or the more dignified status of "nodding" at Randwick—we just loved to court the fickle Dame.

We want you to "get" this—she keeps many of the refined lines of her stock-in-trade at Mick Simmons, where your quest ends for the medium of harmless chance and pleasant entertainment!

The heavy treacherous game was a very severe test for the backs at the southern end of the Sydney Cricket Ground when St. George went under the crack Cessnock eleven. Saints luck was dead out, referee Sanderson was too far from play to see that the ball went over the goal line and was shot by Hayes early in the game.

Soccer Becoming More Popular

The rapid rise of Soccer in popularity and the hold it will have on the Sydney public due to the successful demonstrations of the possibilities by the Englishmen is responsible for the question being put forward as to Soccer displacing a rival code for supremacy.

The round-ball game is played in every country in Europe, and is also making rapid strides in Africa, Canada, and the United States. One great thing about the supremacy of Soccer would be to make a real national game which all the countries of the British Empire could play. Its universality makes it possible to arrange games with every nationality in the world. It is the isolation of rival codes that operates, as a drawback, in Great Britain where the game contests draws thousands, and in other countries draws tens of thousands. The players of England and Scotland are numerically stronger in a ratio of twenty to

one. It has often been remarked that the dribbling code does not possess the thrills of Rugby passing and tackling, and that on account it will fail to attract the Rugby enthusiasts. But the answer to this is convincing. Take Wales, for instance. The Welsh have produced the highest class of players in the Rugby world, and in no other country do Rugby football have a greater standard was

such that the merits of every other combination was always measured by that country's prowess. Now in such Rugby strongholds as Cardiff and Swansea, the Soccer code

is predominant, and the eleven a side game receives infinitely more public patronage than that accorded the opposition code.

Once upon a time it was quite a novelty to see a round ball in the open parks and schools outside of the Pyrmont, Granville or Balmain areas. Now it is shown that more public school teams have entered for the Soccer competitions than any other code of football.

There is no gainsaying the fact that Soccer has made great advances in Australia, where the game is played in every State. Only a few years ago an attendance of 3000 at an interstate game was acclaimed with delight by controllers, yet at the Chinese and English matches the numbers were in the vicinity of 45,000. What a change. A £300 "gate" at that period was a novelty—to-day £3700 is obtained for a game against the Englishmen.

Team work and combination is more in evidence in the Soccer code than any other form of football. The game is exciting and thrilling when played by exponents as highly tutored in ball control, positional play and nippy movements as our English visitors.

The test matches to be played in Sydney on July 4th and 18th at the Show Ground will certainly demonstrate the claims as to which provides the most spectacular and invigorating contests.

HOW SOCCER SHOULD BE PLAYED

Australia and England play again on July 18th at Show Ground

IMPRESSIONS OF THE ENGLISH MATCHES.

RUGBY LEAGUE CON- VERT.

The Englishmen are fine players of the round-ball game. At this time no doubt firmly fixed in the minds of the public.

They provide a game which, to the spectator is not only spectacular but exhilarating. Their control of the ball under the unusual conditions appertaining in Australia is perfect. They work together with a combination that can be excelled. Their quickness in acquainting themselves with Australian methods is noticeable.

Their success in Australia is undoubtedly due, in a large measure, to this. Both of their goalkeepers are pastmasters at the job, and are seldom beaten. The defence of the back line is a study in their invincibility.

Physically they are a perfect specimen of their weight and physique, both in attack and defence.

On the other hand, the New South Wales eleven, though not so fast, provide many brilliant moments. Stan. Bourke seems to have colour, and has not been beaten by the spectators with his kicking play, as previously.

The immitable Cartwright still provides the usual steady game, and stands unrivalled for his position of State custodian.

The New South Wales team, though possessing great combination and stamina, have not the versatility of their English counterparts.

Personally, it is my contention that the English matches provide the most exciting and spectacular play, un-
precedented in the history of Australian Soccer.

By giving up the Rugby game, mainly owing to its action in refusing to allow the Englishmen to play on the Sydney Cricket Ground, I am convinced with the excellence of the round-ball game. It certainly makes the Rugby game for the work and provides sufficient excitement to satisfy the most exact-

WHAT KIND OF SOCCER DO SPECTATORS APPRECIATE?

(By Sirius.)

The question has often arisen in my mind as to what kind of Soccer spectators appreciate.

Take a game which, though evenly contested, is scoreless. To my mind, such a game would provide more thrills, than a three or four goal draw.

The latter match would show that, although the attack of both teams was strong, the defence of the opposition in each instance was inferior.

Take the match played out as a scoreless draw. Such a game undoubtedly reveals teams evenly matched in all departments, with resultant spectacular play.

Then we can take a match, with the result one to nil. This may also provide many brilliant passing rushes and dazzling movements.

There is not the least doubt that the average spectator looks to the scoring capabilities of adept exponents to provide the thrills. In this direction the adoption by the International Board of Great Britain of the new off-side rules in which it is only necessary to have two opponents in front of a player to be on-side, will act beneficially in providing the opportunity for forwards to dash goalwards and score.

THE LINCOLN CUP.

The Lincoln Cup will be competed for by second grade clubs this season. Entries will close with Mr. Stephen H. Stack, Hon. Secretary, Metropolitan Association, on July 6th.

The entrance fee is fixed at 20/-. The winners will receive twelve medals, value 30/- each.

All teams in the second grade competition must enter, otherwise there will be no competition.

The winner will be evolved on the knock-out principle.

I am sure that if local players could only attain the proficiency of the Englishmen in club games there would be no occasion for the Rugby League to cling to the S.C.G., for there would not be enough present to pay the rent.

THE AUSTRALIAN FLAG.

Mr. John Lewis, manager of the English team, has written to Sir Samuel Hordern as follows:—

"On behalf of the Football Association (England), as one of its representatives in charge of the team touring this country, I wish to thank you most sincerely for the kindly thought and good feeling which prompted you to present to us the handsome flag which was handed to me on May 30th by His Excellency the Governor of the State, Sir Dudley De Chair, M.V.O., K.C.B., R.N., in the Town Hall, in the presence of a very large audience.

"I am sure our colleagues will be very pleased to have it handed over on our return to England, and I am confident the flag will find a place in our headquarters, which will always remind us of the first English Soccer team's tour to fair Australia."

THE SUNLIGHT CUP.

The Sunlight Cup has been allotted to the clubs comprising the Club League and will be conducted on the knock-out principle. Entries will close on July 6th. The fee is 10/-.

SYDNEY SOCCER REFEREES' ASSOCIATION

Mr. E. Jones, Hon. Secretary S.R. Association, has resigned his seat on the local Appointment Board, and has made himself available for appointment in local competitions.

The appointment of referees is now in the hands of Messrs. Lester, Boyd and McLay. Mr. McLay is acting for Mr. Gill during his absence, seeking medical attention.

The S.R.A. will meet on Monday, 29th June. Members are especially requested to be present. Fees for months of April and May will be distributed at this meeting.

PLYWOOD FLOATS IN.

At Cook's River on Saturday, Plywood Rovers secured their initial success of the season at the expense of Five Dock.

Considering the bad state of the ground, which was half under water, the game was full of exciting incidents, but owing to the slippery condition of the ball the Rovers forwards were only able to find the net once in the first half.

The second half was more evenly contested, but Plywood secured another goal from a corner kick.

SECOND TEST MATCH.

The Governor-General, the State Governor, the Premier and his Ministers, the Lord Mayor and other prominent public men will attend the second test match, of the Australians against the Englishmen at the Show Ground next Saturday. The game is sure to be worthy of the occasion.

Five Dock tried hard to equalise, but the good goalkeeping of Fletcher enabled the Rovers to run out winners of a good game by 2—0.

HAVE YOU HEARD?

That the Great Public Soccer will probably take up the Soccer code in the near future. Also the games with the English are awakening interest in the desirable direction.

That the South Coast Association's action is prejudicial to the best interests of the game.

It is acknowledged by the majority of officials in the soccer centres that players have a reasonable claim to a share in "gates" which they provide.

That the object of the Illawarra Association in this direction has easily been achieved in a constitutional manner, and without attempting to cast unwarranted aspersions on officials who are laboring diligently to place the Soccer code on the highest pinnacle of sport.

That the Queensland Football League team were delighted at the courtesy extended by the South Wales and Metropolitan associations in providing them with an opportunity of witnessing a game against the Englishmen at the Show Ground.

That there are still six Soccer teams in the Gardiner Cup competition in Eastern Suburbs, Canterbury, Gladesville, Annandale, Pyrmont and Gladesville.

That the Englishmen will play against Australia in the second test match at the Show Ground next Saturday.

That the third test takes place at Maitland Show Ground on July 11th, and the fourth test at the Show Ground on July 18th. The fifth test will be played at the Melbourne Cricket Ground on July 25th.

That a game will probably be played against the American Fleet team on July 23rd.

That Adamstown won the Gardiner Cup in 1909, and on previous occasions the most likely New South Wales district side to gain the trophy.

PERSONAL PARS.

Cessnock team gave a brilliant demonstration of short passing despite the disadvantage of rain-soaked turf in defeating the St. George eleven in the Gardiner Cup.

McNaughton was in every way the speed and accuracy in the ball proving a valuable asset. A. Thompson is a partner for the Cessnock

Australian selectors were impressed by McNaughton's possibilities, and have chosen him to field the Englishmen at Brisbane in the first test game next

Williams is a speedy and powerful winger, works the ball admirably, and knows just the move to draw the opposing half-back and send to a well-positioned forward. The State selectors are looking for an outside right. It is Williams.

Stoker, who represented South Wales against Victoria, must be bordering on the prime of his age. He played a hard, clean game for Cessnock, exhibiting no spoiling tactics.

Williams made a capital mistake in the Cessnock forwards. He kept his wing forwards on the move, and worked the opposing backs quite a bit. He is a good shot.

proved the right bower for the goal posts for Cessnock. St. George forwards were in possession of the joker (his accuracy), so the Maitland forward was never trumped. Cessnock keeper wore gloves to counteract the slippery ball. The custodians take notice.

he played an important part in the Cessnock victory.

Rutherford, too, played ably at right half-back, and was clever enough to keep Sheringham and Melliar-Smith from getting too close to the danger zone.

Percy Lennard was a valuable unit in well thought-out team co-ordination, but he did not play with the dash he brought to light last season. Can't last for ever.

G. Williams and Losby made an admirable pair of full-backs. They kicked cleanly and tackled with judgment.

A. Cameron, of Adamstown, is a player of particular merit. He controls the ball well, and showed initiative in getting round the Granville backs. Cameron did much towards the club's success in putting Granville out of the Gardiner Cup.

Roy Osborne, the Annandale left winger, is in the limelight

again. He seems to have recovered the form that gained him a permanent position in the Pyrmont team. He is fast, tricky and resolute.

A. Watson's enterprise, pluck and skill as a full-back for Annandale, is so good that he looks like catching the metropolitan selector's eye before the season closes. He provides bits of brilliant play that gains the approval of the crowd.

Joe Fisher, the right half-back and Frank Gallen, the right back are a formidable obstacle for left wing forwards to negotiate. Both are nippy, although perhaps a little on the light side.

C. Hayes, the St. George inside right, possesses most of the attributes which go to make up a first-class forward. His marksmanship, usually accurate, was faulty against Cessnock. He missed some easy chances, but had bad luck in not getting credit for a goal he did score early in the game.

Eastern Suburbs Association

After a strenuous game at Waverley Oval, Bondi Beach succeeded in beating Bondi Waratah by 2 goals to nil, and these teams now jointly lead in the B Grade competition with 12 points each.

In the other grades, the position of the teams remain unchanged. Vauluse Salisbury created a surprise by beating Tingira by 6 goals to 4. Evidently they were not disheartened by constant defeats, and congratulations are due to this team on its first victory.

The All Age match between North Sydney Rangers and Tingira was postponed as no ground was available.

CORRESPONDENCE

To the Editor.

Dear Sir,—

I would like the correct answer to this question:—If a player awards a team a free kick by the opposing goalkeeper trying the ball too far, can a player who takes the kick score a goal by kicking the ball into the net without any other player touching it?

Yours faithfully,

W. BRACKENBURY

Answer:—A goal cannot be scored direct from a free kick awarded for any breach of laws other than Law 9.

In view of the above, a goal cannot be scored direct if a free kick was given on account of a goalkeeper carrying the ball more than two steps.

Free kicks awarded for lowing breaches also come under this heading:—

Off-side.

Charging the goalkeeper wrong time, the charge otherwise fair.

Improper throw-in.

Playing the ball before it has touched the ground after it has been dropped to re-start game after stoppage.

FIRST SOCCER TEST

THE AUSTRALIAN

The first test match to be held against the Englishmen by the Australians at Brisbane to-day, citing extraordinary interest in Sydney Soccer fans are again excitement over the result. The history repeat itself? The Zealanders and Canadiana cumbled to Australia in Brisbane at the first attempt in test.

There are not many who believe the Englishmen will win, but football is an even game, and no team is invincible all the time.

Australia is unfortunately being able to field what is regarded as the best eleven. The opportunity given to opponents may bring to light the best of equal, if not superior to Judy Masters, Thomas Maunders and Spurway.

The South Coast Association acting in a manner calculated to do an immense amount of harm to the game, and the pity is that the attempts by leading Illawarra officials to forward their interests prevents the services of Masters and Thompson being availed of in the big game.

Nevertheless, a strong Australian side has been chosen by the Australian selectors, J. Hildreth (Queensland), Lukeman (New South Wales), A. Storey (N.S.W.), H. McKerty (Victoria), and R. Storey (South Australia).

They comprise:—

Goalkeeper: G. Cameron (N.S.W.).

Full-backs: S. Robinson (N.S.W.), and Faulkner (Tasmania).

Half-backs: G. Storey (N.S.W.), A. Edwards (N.S.W., captain), and Murray (Queensland).

Forwards: Greaves (N.S.W.), P. Lennard (N.S.W.), J. Brown (N.S.W.), and R. McNaughton (N.S.W.).

Protestant Churches Association

On Saturday the Churches in-
jured in water polo, but as the
was not too clean, with ra-
disastrous results to the
togs. As predicted, St.
All Saints A and Holy
A all had easy victories.

Thomas A and B had a day
both teams getting home,
St. Silas played and won
matches in the one day.

Andrews broke their duck
by drawing with Mar-
Bapt. St. Albans also
day out at the expense of
B, and thus notched
first points. In fairness to
B it must be said that
only fielded half a team.

Two matches (and this pa-
of opinion that one of these
have been played) were
last Saturday, and it
show that the Churches
only fair weather play-

Deferred Matches.

These matches deferred on 20th
on account of the 'grounds
unit will be played in the
of the 23rd July, 1925.

To-day's Games.

All Saints A should
last match to-day, yet both
will be short of some of
regular men. Craig and
of All Saints A, are
the injured list, while
Kitchen is in the Rep.
Austens will be without
services of Jack Park, who
the sticks in the Rep.
However, Austens are
in having a reserve
in Catherall. Mr. Ref.
will handle the game.

Tempe Park Congs. should
Meth. Pres. A a good go
money. On paper a
would appear an equitable
though a Soccer game is
till its over.

The first Campsie Meth. A
St. Bartholomews 6-1,
Yrmont team reckon it'll
tale this time. While
shake the joint leaders
not thought that the

Campsie boy will be greatly wor-
ried.

St. Aidans A, although without
the services of L. Morgan (injur-
ed), and Franky Archer (Rep.
team) should easily account for
All Saints B. Similarly All Souls
will be without their star player,
Arthur Hyde, but should get home
O.K. St. John's Glebe and Leich-
hardt Meth. might end in a draw.

St. Thomas A should still be
undefeated while St. John's B
should add a couple of points to
their total.

In third grade B Division St.
Silas, must win easily, but the
remaining three fixtures will be
interesting.

Smoke Social.

Owing to the difficulty of ob-
taining a hall this function will
not be held until the 30th July,
and then in the St. Barnabas
School Hall. Tickets are 1/6
each.

Finance.

Teams are asked to forward im-
mediately the moneys and unsold
tickets in connection with the
welcome to the Englishmen foot-
ballers and the Association dance
on 13th June. Also a few teams
appear to have forgotten all about
their ground and referee's fees.

W. Broome.

W. Broome, of Tempe Park
Meth. had to have four stitches
inserted over the right eye as a
result of last Saturday's game.
However, he is looking to some
more—games, not stitches.

P.C.R.A.

The referees will meet in the
St. Barnabas School Hall on
Thursday, next, 2nd July, at 8
p.m. Mr. Leo. Scott (brother of
the South Coast mon) has made
a board, and will give instruction.

Referees' Charts.

These charts are now on sale
from the Association at the rate
of 6d per copy.

Draw for Saturday, 4th July.

All matches are postponed in
honor of the 2nd test match. All
the Churches' players are expect-
ed to attend the Show Ground.

The following have been select-
ed to represent the Association
against Canterbury Association on
the Canterbury Sports Ground at
3 p.m. to-day. Players to report
to the manager, Mr. S. Taylor, at
the entrance to the ground at
2.30 p.m.:—

Goal: J. Park (Austens).

Annandale Athletic beat Glebe 2—1.

Lilyfield United beat Five Dock 4—0.

Stanmore forfeited to Botany.

Rozelle Waratahs the bye.

City United received their 1st defeat this season by Leichhardt by 1 to 0, at Algje Park after a very evenly contested game. The slippery nature of the ground mitigated somewhat against any clever footwork. Many excellent scoring opportunities were lost with this reason. Leichhardt and City are both level at the top of the competition. In the A grade Easton Park and Newtown contested the late game on Primrose Park No. 1. The ground was in a bad condition owing to the recent heavy rains, but nevertheless a fair game was played by these two teams. It was impossible to stand in some places, and a 1-all draw is about a reasonable decision. Easton Park in the previous engagement won by 5—0. Lilyfield outclassed Leichhardt at Erskineville by 9 to 1. The game was as the scores would indicate—one-sided. The first round

meeting was won by Lilyfield by 6—3. The early match on No. 1 Primrose was between the two leading B grade teams, Rozelle Waratahs and Lilyfield. The former team won the first engagement by 3—0. In the late match despite bad conditions, which were equal to both sides, the play was very interesting and exciting throughout. The ball was transferred from end to end in brilliant fashion and after 25 minutes play Rozelle opened the scoring and kept their goal intact till the interval. On resuming and with a fair wind in their favour, Lilyfield soon had the ball in Rozelle's goalmouth, when in 5 minutes from the resumption Sym equalised with a good shot. Both sides now fought very strenuously, and in a very short time Tyler netted from a melee in front of goals. From the centre Lilyfield rushed the ball into Rozelle's territory, where Tyler was almost in, but Swanson saved. Jenkins placed Newland in an excellent position when the latter player beat Swanson with a splendid shot. Lilyfield now led by 3—1, and had Rozelle on the defence. Rozelle made a determined sweep down field, but found Bevan and Giles in good form at bck, but a mis-kick let Conly in, who beat Sullivan with a clinking shot. After centre Lilyfield immediately carried the ball into their opponent's goal area, where Thompson centred beautifully for Tyler to drive the ball hard into the net.

Full time sounded soon afterwards, leaving Lilyfield winners by 4—2. The match between Annandale Waratahs and Balmain Gladstones on No. 2 area was a fair exhibition of water polo. Good football was absolutely out of the question. When the players came off the field the respective captains were anxious to know if they had their full team left.

Wentworth Juniors continue undefeated in Division 1 of the C grade competition, their latest victims being Leichhardt, whom they beat by 5 to nil at Cook's River. The winners have a 3-point lead from Rozelle. Annandale Athletic beat Glebe Juniors after a very good game by 2 to 1. Glebe had the advantage in the

first half, but could not penetrate their opponent's defence. There was no score at half time. Annandale met with misfortune in the second half. C. Isherwood was injured and left the field. This loss appeared to rattle Annandale, and soon after City opened the scores. This result stirred Annandale, and a determined rush down field ended Scott netting with a good shot, thus equalising the scores. From the centre Glebe retaliated for a time gave goalie Farrell a lively time, but he cleared goals in good style. The game was now very fast, and contested, the ball travelled and down field very quietly just on full time. Herman scored the winning goal for Annandale, who won by 2—1. Lilyfield accounted for Five Dock at Easton Park by 4 to nil. Hurley was early in the game. The first half was very even, and there were no further scores.

Lilyfield played good combination, and from a passing game among the forwards, Hurley scored to M. Sym, who netted a goal. D. Sym and Chiswick scored from a penalty kick. Hurley and Cattinach had little to do at back; goalkeeper Walthers less.

The team to represent the F.A. versus Eastern Suburbs Inter-Association Cup match will be played on 4th or 11th July will be selected from the following:—W. Wright (Warren Avoca), A. Jenkins (Lilyfield Froome), S. Morrison (Easton Park), J. Kay (Warren Avoca), D. Mitchell (Lilyfield), N. Kitt (Warren Avoca), R. Sym (Rozelle Waratahs), J. W. (Newtown Junrs.), W. Ewer (Freeman (Leichhardt Junrs.), McCarthy (Lilyfield), T. (Annandale Feds.), — (Leichhardt Junrs.), E. Pick (Easton Park). Players named are requested to be at the Ground next Wednesday night 7.30 p.m., and report to Secretary on ground.

The All Age and C Grade Division 2 will play three rounds.

Entry to the Charity (knock-out competition) closes on 14th July at City meeting. Entrance fee, 1/- Open to all grades.
